Dear Mark:

Thanks for coming to the campus Saturday; I think we made some progress on next year's plans. I could not find any of the materials (letter, items for the booklet, list of things to purchase) in your file cabinet. Do you still have these, and if so, will you be sending them to me?

I checked with Mr. Hollinger concerning our financial status. We have had four expenditures since the \$42 for the signs was transferred back into our account. They are: \$5.97 and \$4.74 to C. W. Hess, \$25 to Jim Stager for parts for the boosters he is making this summer, and \$1.90 to Gates Radio. This means that we are in the red \$1.58. We also have a bill outstanding of about \$5.00 for postage for the letters to the record companies.

This brings us up to date for now. I am assuming that I shall hear from you prior to your trip here early in September.

Sincerely,

Kenneth L. Bowers
Director of Publications
